21 February 2018
UKRO Offices
Rue du Trône 4
1000 Brussels
Belgium

Authent-Net

Attendees:

selected stakeholders from industry, Commission, NGO's and national authorities.

Reasons why you will want to attend:

- Insight into MS thinking, state of the art and future needs in terms of food authenticity
- Early view and contribution to a Joint Strategic Research Programme for Member States
- Early sight of the open source datahub on food authenticity (Food Authenticity Research Network Hub).

What we expect from workshop participants (all relevant information will be presented at the workshop):

- Your views on Authent-Net
- Your views on the Food Authenticity Research Network Research Hub (FARNHub)
- Your views on the strategic research paper to be submitted to the Commission
